

NOTICE OF INTENT TO GRADUATE

All candidates for a degree must file with their program directors/division chairs a Notice of Intent to Graduate form, together with evidence that they will fulfill all requirements for graduation. The Notice of Intent to Graduate form must then be turned in to the Registrar's Office. Failure to remit this form to the Registrar's Office by the published deadline can affect the appearance of your name on the printed program, the availability of your diploma, participation in the commencement ceremony, and your ability to graduate. It is the responsibility of the student to know and satisfy the degree requirements of the academic program.
